Welcome
To the April 2024
Newsletter

Monday April 15th
Our Speaker was;
Lynne Moore

We were given a talk on 'Shade tolerant and woodland plants' by Lynne Moore and she surprised us with the vast amount of plants that will survive with less water than most and with less sun to-boot.

The BIG Day for Tulips!!!

Monday April 15th

Tulip Mini Show

This was your chance to put your two-lips together for a prize.

It was a success but with fewer entries than previous years.

I must confess that I am one of the many members that were somewhat timid of the yearly prestigious shows but seeing the results of the Tulip show, I shall now be taking part in the shows. If only to boost the numbers.

More news about;

'Wisley Visit'

July 15th

We meet at the Village Hall , at the latest 08:45 for a **09:00am** take off.

Please note these times!

If you are later than this, sadly, you will left behind.

We will need to be at the coach by 4.15 for a 4.30 setoff for home.

Again, if you are later than this

This picture is from my garden and if I can't find something here to boost the entry's for the late Tulip show, then I am ashamed of my self for not even trying.

The shows are not prestigious and the chance to see that your entry has received a place is highly invigorating.

So members, Please, Please

Take Part!!!

The BIG Day for Tulips!!!

Monday April 15th

Daffodil Mini Show

Bring in a Tin

Thank you again, to those of you who help with the tinned food donations, Gail is overwhelmed with all your support.

If you could continue to bring a little something in, Gail would be most grateful.

Tinned vegetables and packets of T-bags would be a great help please.

Thank you all.

Thank you to all those who took part.

Monday May 20th

Our next Social meeting will be attended by Roger Hence, who will be telling us about;

Life in the Undergrowth!

<https://rogerhancefrps.com/life-in-the-undergrowth>

See the wonderful photographs taken by Roger.

Marvel at his knowledge!

The Summer Show is on June 8th

Remember, It's the taking part that counts.

Chose something in your garden that you like, not what you think the judge would like.

What you grow is as good as what others grow.

Please take part!!!

Remember **The HUT**

will be open as usual.

Offering

All your garden needs and more, at a reduced cost.
